EDWINA ABAH

Accredited Cloud Instructor & Cloud Engineer

📞 +234 915 979 9770   @ abahedwina@gmail.com   📍 Lagos, Nigeria

SUMMARY

Experienced Cloud Engineer with a robust background in cloud computing and DevOps, specializing in AWS and Google Cloud platforms. With a passion for teaching, I'm also an accredited instructor dedicated to empowering others through cloud technology. I excel in designing and deploying scalable cloud solutions, optimizing DevOps processes, and leading community-driven learning initiatives. My work involves developing innovative cloud solutions and mentoring aspiring tech professionals, resulting in successful project implementations and impactful training outcomes. Proud of my role in enhancing cloud infrastructure and contributing to global tech communities, I am excited to bring my expertise to new challenges and opportunities.

EXPERIENCE

AWS Cloud Instructor

NVIT   📅 08/2023 - Present   📍 Benue State, Nigeria

Provided comprehensive training and mentorship in AWS cloud services, leading multiple cohorts through their learning journey and certification preparation.

- Successfully taught and mentored three cohorts through the AWS re/Start program, guiding them from initial training to graduation.
- Developed and delivered a complete curriculum covering AWS fundamentals, advanced services, and real-world applications.
- Facilitated hands-on labs and workshops, ensuring practical experience and application of cloud concepts.
- Prepared students for AWS certification exams, providing targeted study materials and practice exams that resulted in a high pass rate.
- Coordinated with industry professionals and stakeholders to enhance program content and align with current cloud trends.

Cloud Engineer

NVIT   📅 12/2022 - 07/2023   📍 Nigeria

Developed and maintained scalable cloud solutions using AWS and Google Cloud platforms, ensuring high performance and availability of services.

- Designed and implemented scalable and cost-effective cloud infrastructure for multiple projects.
- Collaborated with a team of engineers to deploy and managed microservices using Docker and Kubernetes, enhancing system reliability and scalability.
- Applied best practices in cloud security and cost management, leading to a 25% reduction in cloud expenses.

Cloud Consultant

CHA   📅 10/2022 - 01/2023   📍 Canada

Provided expert guidance on cloud strategy and operations, helping organizations optimize their cloud environments.

- Assessed client needs and developed tailored cloud migration plans, resulting in a 20% reduction in operational costs.
- Evaluated existing infrastructure and recommended improvements to enhance performance and security.
- Delivered strategic advice on cloud security and compliance, strengthening clients' security posture.

EDUCATION

Cloud Computing - Associate

New Vision Institute of Technology   📅 07/2022 - 02/2023   📍 Nigeria

STRENGTHS

⭐ **Problem-Solving**
Successfully resolved complex technical issues, resulting in improved system performance.

💡 **Collaboration**
Demonstrated effective teamwork skills while working with cross-functional teams to deliver high-quality software solutions.

✔ **Adaptability**
Quickly adapted to changing project requirements, ensuring timely completion and customer satisfaction.

SKILLS

Cloud Computing   Linux

Amazon Web Services (AWS)

Google Cloud Platform (GCP)

Networking   Security   Docker

Atlassian JIRA   Kubernetes   GitHub

Cloud Migration   Problem-Solving

Collaboration   Adaptability

PROJECTS

AWS Training Program Enhancement

Designed and implemented enhancements to an AWS training program, including updated course materials, hands-on labs, and practice exams, resulting in improved learner outcomes and higher certification pass rates.

CayVibez Platform Setup

Led the setup and management of the CayVibez platform using Google Cloud Platform (GCP), overseeing the infrastructure design and deployment. Ensured a scalable and secure environment, optimizing resources to support platform performance and reliability

CERTIFICATION

AWS Certified Solutions Architect - Associate

Issued by Amazon Web Services Training and Certification

CERTIFICATION

AWS Accredited Instructor
Issued by Amazon Web Services Training and Certification

Build a Secure Google Cloud Network Skill Badge
Issued by Google Cloud

AWS Certified Cloud Practitioner
Issued by Amazon Web Services Training and Certification
